HEART HYMNS.

"My son, give me thine heart."-Prov. 23: 26. Here is my heart-my God I give it thee; I heard thee call and say,
"Not to the world, my child, but unto me," I heard and will obey. Here is love's offering to my King. Which, a glad sacrifice, I bring-

Here is my heart. Here is my heart-surely the gift, though poor, My God will not despise; Vainly and long I sought to make it pure, To meet thy searching eyes; Corrupted first in Adam's fall, The stains of sin pollute it all—
My guilty heart!

Here is my heart-my heart so hard before, Now by thy grace made meet; Yet bruised and wearied, it can only pour Its anguish at thy feet; It groans beneath the weight of sin, It sighs salvation's joy to win

My mourning heart'

Here is my heart-in Christ its longings end, Near to his Cross it draws; It says, "Thou art my portion, O my Friend, Thy blood my ransom was." And in the Saviour it has found What blessedness and peace abound-

My trusting heart! Here is my heart-an! Holy Spirit, come, Its nature to renew, And consecrate it wholly as thy home, A temple fair and true. Teach it to love and serve thee more,

To fear thee, trust thee, and adore-My cleansed heart! Here is my heart-it trembles to draw near The glory of thy throne; Give it the shining robe thy servants wear. Of righteousness thine own; Its pride and folly chase away,

And all its vanity, I pray—
My humbled heart! Here is my heart-teach it, O Lord, to cling In gladness unto thee; And in the day of sorrow still to sing, "Welcome, my God's decree." Believing, all its journey through, That thou art wise, and just, and true-

My waiting heart! Here is my heart-O Friend of friends be near, To make each tempter fly, And when my latest foe I wait with fear, Gain me the victory! Gladly on thy love reposing, Let me say, when life is closing, Here is my heart!

BREAKING UP OF THE GERMAN EBENE-ZER COMMUNITY.—The Detroit (Mich.) Tribune, of the 21st ult., says:

"The Ebenezer Community, a peculiar body of people, who have a settlement near Buffalo, are desirous of breaking up their establishment, in order to remove to some of the new States and Territories of the West, where they can obtain a larger domain, and, perhaps, with the additional motive of becoming more isolated than they can be in their present location. It is stated that they have miles from the city of Buffalo, on the old Seneca reservation. The agents of the society purchased about 6,000 acres of land of the Ogden Company, soon after the Gillet treaty of 1842, and about 3,000 have been added by subsequent purchases. A large portion of of it is very large fields, more thoroughly cultivated than any lands in western New York; indeed, it is almost a garden, instead of field cultivation. The Ebenezers are a communist or common proper ty association, of a distinct religious type. The organization had its rise in Germany, on the banks of the Rhine, and has existed nearly a hundred years. They have an elective board of governors or elders-thirty in number-upon whom devolve all the legislation of the community."

Dr. Peitham, the alleged insane persecutor of Prince Albert, has at length been released from his fourteen years captivity in the British mad houses, on condition that he shall immediately quit England and never again set foot upon its soil. He has, of course, accepted the conditions, and has gone to Germany. The civil inquiries into his case has resulted in the decision that he was perfectly sane, and an order was issued by a magistrate for his release, but Lord Palmerston refused to countersign it, except on the above conditions.

NUMBER OF SLAVES IN THE WORLD .-The African institution of Paris, an association for the diffusion of civilization and Christianity in Africa, has recently issued a circular, which shows that the number of blacks held in slavery in different countries, is seven and a half millions, of which 3,095,000 are in the United States, 3,250,000 in Brazil, 900,000 in the Spanish colonies, 35,000 in the Dutch colonies, 140,000 in the Republics of Central America, and 80,000 in European establishments in Africa.

REAL ESTATE RETROGRADING .- A great depreciation in real estate is apparent in New York and its vicinity. Seven houses in Brooklyn were sold at auction a few days since, at from nine to eleven thousand dollars each, being much less than their cost. They are among the most elegant and costly in the vicinity of New

Proposals for Furnishing Paper for the Public Printing.

OFFICE SUPERINTENDENT OF PUBLIC PRINTING, Washington, September 30, 1854.

N pursuance of the "Act to provide for executing the public printing," &c., approved August 26, 1852, sealed proposals will be rec-ived at this office, in the Capitol, until the first Monday (4th day) of December next, at 12 o'clock m., for furnishing the paper that may be required for the public printing or the year commencing on the 1st day of December, 1854, and ending on the 1st day of December,

The subjoined list specifies, as nearly as can be ascertained, the quantity, and the quality and description, of each kind of paper that will be required,

CLASS 1. 15,000 reams fine printing paper, uncalendered, to measure 24 by 38 inches, and to weigh forty five pounds to the ream of 480 sheets.

4,000 reams fine printing paper, calendered, to measure 34 by 38 inches, and to weigh fifty six pounds to the ream of 480 sheets.

CLASS 3. 800 reams superfine hard-sized and calendered printing paper, to measure 24 by 32 inches, and to weigh forty-eight pounds to the ream

The fibre of the paper of each of the above classes to be of linen and cotton, free from all adulteration with mineral or other substances, of a fair whiteness, and put up in quires of twenty four sheets each, and in bun les of two reams each, each ream to contain 480 perfect sheets. Uniformity in color, thickness and weight will be required; and no bundle varying over or under five per cent. from the standard weight will be received, and the gross weight will in all cases be required. Mixing of various thicknesses in the same bundle to make up the weight will be considered a violation of the con-

Samples indicating the quality, &c, of the paper required in the foregoing three classes can be ob-tained at the office of the Superintendent, or will be furnished by mail to persons intending to bid. Contracts will be entered into for supplying the quantities required in the first, second, and third lasses, at such times as the public service may require; but the privilege is reserved of ordering a greater quantity on eitner class, should a greater quantity be required, at such times and in such quantities as may be deemed necessary.

KIDWELL'S COMPOUND FLUID EXTRACT OF BEECH DROP; Or. Cancer Root. CELEBRATED REMEDY FOR CAN-

netion Bales.

CER, ULCERATED SORE THROAT. WHITE SWELLING, BRONCHI-TIS, DROPSY, AND ALL DISRASES ARISING FROM THE IMPURITY OF THE BLOOD.

Prepared by J. L. KIDWELL, Chemist, George OWB, D. C. The estimate that is now accorded this preparation by the medical profession and by other s competent to judge of its merits, may be seen in the fact that it has been prescribed by many of our most eminent Physicians in this country, and has attracted the attention of a celebrated profession of the Edinburg College, Scotland, by whom it has been successfully used in a career of an aggravated character.

The proprieter has been forced to make more exensive arrangements to meet the rapidly increasing demand for Banch DROP.

VINCENNES, INDIANA, Oct. 3, 1854. J. L. Kidwell-Dear Sir: Some three months ago, through the agency of Col Smith Miller, our representation in Congress, I had purchased of you, for the use of my father in Scotland, one dozen Bottles of Beech Drop or Cancer Preparation. I have a let-ter from my brother, stating that the physician desires you to forward another dozen bottles. He thinks under its use the disease is arrested. I may add that my ather has tried every physician of distinction in Scotland and England, including Professors of Edinburg and Colleges, without relief. The disease was of three years standing, began in the right cheek, which is partially consumed. He was a sufferer with constant pain, wnich has entirely left him.

This case will give your preparation a popularity in Britain which no other medicine has. Direct to William Dick, Esq, Collydean, by Leslie Scotland, in care of Messrs. Penfoed, Clay & Co., Druggists, N. York, who will forward it. JAMES DICK.

Mr. Flint is a man of great influence in his county,

and will with pleasure communicate with any one in reference to his case. CALLAWAY COUNTY, MISSOURI,

July 13th, 1854. Dear Sir-With great pleasure I inform that your preparation of Beech Drop has accomplished for me what I thought beyond the reach of human agency. For the last twelve years I have been afflicted with Scrofula of a Cancerous form. So extensive was the ulcers and so horrible my appearance that my case ecame notorious with all the Faculty in this and the adjoining counties—in fact I had obtained the best medical aid in our State, without any abatement of the disease. Through a friend I procured a half dozen bottles of your Beech Drep, after using t, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that purpose I beg all afflicted with Scrofula in any form

Enclosed you will find an order from some friends for the preparation. Very truly, JNO. C. FLINT. For sale by Druggists and Dealers in Medicines in Washington, Alexandria, and Baltimore. oct 14-d3m
